

ALKOUT 4K

LUXURY FOR LIFE

2022

CATALOGUE

ABOUT ALKOUT 4K

This boat is a joint Kuwaiti-Turkish production and is the first version of a range of multi-size boats being produced.

These luxury mini yacht/boats meets all the necessary requirements for cruising.

Boat enthusiasts will find a large list of colors that meet their tastes and the leather used in seats is one of the finest types of moisture-resistant skin.

The boat is customized to take single or multiple outboard engines with a maximum power up to 300 HP.

The boat has been tested in a variety of atmospheres in Kuwait & Marmara sea, it has proven navigational efficiency as well as stability and reliability, which makes it very distinctive and suitable for various marine uses & hobbies.

Each boat is constructed with care, special orders available according to the specifications desired by the owner, whether color, leather or accessories. With the possibility of choosing to use single or multiple outboard engine with a power of 150 to 300 hp.

"ALKOUT 4K" is the real definition of "LUXURY FOR LIFE", it is not described as simple as that.
